**BEGINNERS WELCOME!!!** If you would like to learn more about you and your car's capabilities, autocrossing is your answer. No prior experience is necessary. Come and walk the course prior to the start of the event with the experienced drivers to learn the most efficient way around the course, braking points, etc. Novice drivers will get a parade lap in their car to get the feel for the layout. Novice drivers can also have experienced drivers ride with them during the timed runs. Loaner helmets are available. It's a blast. Come and join us.

By attending the MOR and MBCA local autocross events, it will allow us to expand the number of local events to other new venues. Come out and have some fun, your support is essential to our future.
