MORPCA v3-20-2009

Dear Instructor Candidate:

Thank you for expressing interest in becoming an instructor for the Mid-Ohio Region of the Porsche Club of America. We are continually adding to our instructor list so that we always have a talented resource for our drivers' schools. The criteria for instructors is not only driving experience, but also a passion for teaching performance driving techniques and the ability to communicate while never failing to give attention to safety issues. Mid-Ohio Region instructors take their responsibility seriously, yet are fun to be with. If this is what you are looking for, we encourage you to follow through with the necessary information for getting approved as an instructor.

Your experience will be evaluated and you will be notified of the outcome. Typically a minimum of 30 to 40 driving school days are required in addition to an appropriate attitude toward instructing, and the ability to communicate. If your application is rejected, you may reapply after your experience has changed. You may also be required to on track check out sessions with an instructor. After being approved as a Mid-Ohio Region instructor, your performance and reliability will be monitored and recorded. This information will be used in selecting instructors for future events and for giving priority to instructors for those events where we have more instructors than are needed.

Please complete the attached form and submit it to the Mid-Ohio Region Chief Instructor. Should you have any questions, please contact me.

Sincerely,
CHIEF INSTRUCTOR
Jeff West
